

# Testimonials from 2024 Attendees

“ ”

**One of the best presentations I've seen for any building product. Well-paced, informative and interesting.**

**Heath Samuelson**  
*Britton Lumber Company, Fairlee, VT*

“ ”

**I learn more every year. I especially like the tips for explaining to the homeowner.**

**Kevin Bryant**  
*Advantex Restoration Inc,  
Oswego, IL*

“ ”

**This is my 15th (or more) time to attend. It's a good way to train my guys. And as the owner it helps me stay current in the industry.**

**Dan Conkey**  
*Minnesota Valley Roofing &  
Restoration, Chaska, MN*

“ ”

**The financial benefits of attic airflow & condensation reduction were especially useful.**

**Cyle Sigler**  
*DMD Renovation, Grove City, OH*

“ ”

**This seminar helps explain how to add value to sell the job.**

**Mal Pine**  
*Proactive Roofing, Renton, WA*

“ ”

**This seminar was extremely helpful and confidence building.**

**Tim Wilde**  
*Sexton Roofing, Northhampton, MA*

“ ”

**One thing I learned is balanced airflow is the key to a healthy roof!**

**Andrew Shive**  
*J & L Building Materials, York, PA*

“ ”

**It was great to learn which ventilation to use for different style roofs.**

**Keaton Allen**  
*ABC Supply, Waxahachie, TX*

“ ”

**Most interesting to me was the science behind attic ventilation.**

**Adam Jacobs**  
*Openbox Roofing, Indianapolis, IN*

“ ”

**I especially liked the ranking/uses of different types of vents based on the roofing project.**

**Shawn Gressly**  
*SRS Distribution, North Charleston, SC*

**Want to attend an AirVent seminar in 2025?**
